CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at pld.iapmo.org

Effective Date: March 2019

Void After: March 2024

Product: Showers (Plastic)

File No. 9194

Issued To: MPL Company
203 N Edgerton St.
Fairland, IN 46126

Identification: Manufacturer's name and/or trademark or both shall be permanently and legibly marked on the unit so as to be visible after installation. In the case of private labeling, the name of the customer for whom the fixture was manufactured. Packaging shall be marked with the manufacturer's name or registered trademark or, in the case of private labeling, the name of the customer for whom the fixture was manufactured; and the model number. The product shall also bear the cUPC® certification mark.

Characteristics: Plastic shower units with or without walls manufactured integral with the shower; or as a multi-piece unit distributed as part of the shower unit. Each receptor shall be provided with an integral nailing flange to be located where the receptor meets the vertical surface of the finished interior of the shower compartment. To be installed in accordance with the manufacturer's instruction and the latest edition of the Uniform Plumbing Code and the National Plumbing Code of Canada.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the

Chairman, Product Certification Committee

CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.
