SHOWER ENCLOSURES

MPL Company offers modern styling in a variety of shower designs utilizing our own glass hardware to produce a unique series of shower enclosures

BARN

Modern, minimal and simple design provides a clean and luxurious feel to a room where functionality is understated. Convenient when space is a premium, we provide two options and four finishes.

Newport
Monterey

BY-PASS

Innovative, custom quality engineering, delivering a beautiful appearance to any bathroom with space-saving needs. We have three design options and four finishes to choose from.

Santa Cruz
Pasadena
Fresno
Sonoma
Calistoga

SWING

We offer hinged and pivot options in our Swing shower collection. Made entirely of glass, our swing showers display an elegant and fresh aesthetic to your bath.

Malibu
Fremont
Industry

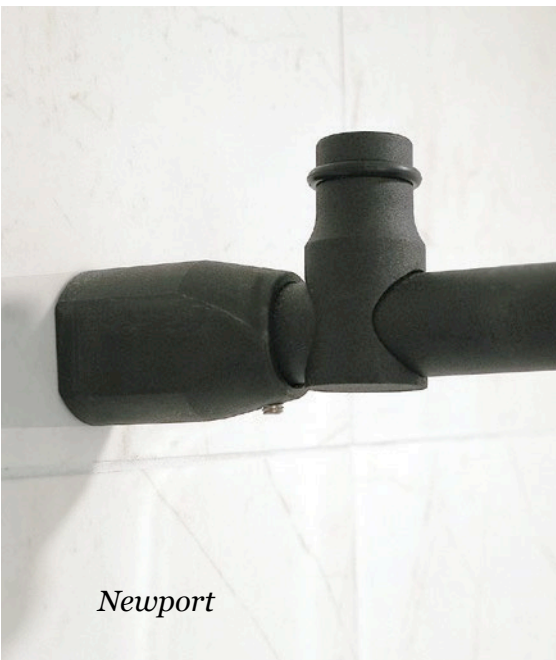

ACCLEAR

AC² Low Iron Hydrophobic Glass

Our AC² glass is available in Low iron, dual-sided hydrophobic coated that repels water and cleans easily.

Contact for availability.

Newport Barn Door Shower

Our Newport sliding barn door is an adjustable, frameless shower enclosure accommodating up to 60" openings, with a 30" fixed panel on the shower head side. The dual slider trolley system smoothly glides along a 1" diameter rod designed to carry 10mm tempered glass door.
